„Dreams are like stars.  
You may never touch them,  
but if you follow them, they  
will  
lead you to your destiny.“  
- Liam Payne

„Enjoy life, it has an  
expiration date“

## Quotes

These quotes mean a lot to me. First of, they were written by my favourite artists. Second of, they are the quotes that I think about when I'm not in a very great situation and they keep me going.

„We have a choice,  
to live or to exist!“  
- Harry Styles

„Words will be just  
words,  
till you bring them to  
life.“  
- One Direction
